

# Notice on the Establishment of the “Hand Surgery Outpatient Clinic” (Reservation Information Updated)

We are pleased to announce the opening of a new **Hand Surgery Outpatient Clinic** at Midtown Clinic.

Dr. Yuichi Hirase, a leading expert in hand treatment, will join us, with consultations scheduled to begin in November.

\*The official name of the department has been confirmed as “Hand Surgery Outpatient Clinic.”

## ■Additional Slots for November and December

We sincerely thank you for the many reservations we have already received. Thanks to your strong interest, all available appointments were quickly filled after opening. In response to high demand, we have now added additional reservation slots. Reservations are available through the following two methods:

1. Online Reservation	<b>Currently open</b> Available anytime URL : <a href="https://ssc5.doctorqube.com/tokyomidtown-cl/">https://ssc5.doctorqube.com/tokyomidtown-cl/</a> (Please select “Hand Surgery Outpatient Clinic” in the reservation form.)
2. By Telephone	<b>September 17 (Wed) – 19 (Fri), 14:00–16:00</b> TEL: <a href="tel:03-4362-9400">03-4362-9400</a> (dedicated line for Hand Surgery Outpatient Clinic)

*Please note that we cannot accept reservations before the designated start time. Reservations will be accepted on a first-come, first-served basis. We recommend contacting us promptly once booking begins.*  
*For both first and follow-up visits, a reservation fee of **¥1,100 (tax included)** will be charged separately from the consultation fee.*

## ■Change in Start Date for January 2026 Reservations
